JODIDE POTASSIUM With the Compound Concentrated Fluid Extract

Valuable Medicinal ROOTS AND HERBS.

Prepared by WM. H. GREGG, M. D., Graduate College of Physicians and Surgeons, N. Y formerly Assistant Physician Blackwell's Island Hospitals, late Medical Inspector New York State Volunteer Depots, under Governor Edwin D. Morgan.

Constitution Life Syrup HAS PRODUCED

A REVOLUTION IN MEDICINE!

What may seem almost incredible, is, that many diseases hitherto considered hopelessly incurable are frequently cured in a few days or weeks, and we cheerfully invite the investigation of the liberal minded and scientific to cures which have no parallel at the present day.

Our medicine is peculiar; by it the seat of any disease is directly reached, and the equilibrium restored. disease is directly reached, and the equilibrium re-stored.

Those who have suffered long from painful and ob-stinate diseases; Those who have vainly sought re-lief from advertised medicines; Those who cannot be cured by other physicians—

Are Invited to Use Constitution Life Syrup.

During the past five years we have contended with obstacles and overcome opposition as herculean as were over encountered by any reformers. RAPIDITY OF CURE.

Some say, "Your cures are too quick," while others doubt their permanence, and think that diseases can only be cured by the "slow recuperative process of Nature."

This is our reply: In health, the bedy, like a well balanced scale, is in a state of Equilibrium. But when, from any cause, down goes one side of the scales, we have the effects of disease. What is requisite is, to restore the normal balance of the scale.

Constitution Life Syrup

A positive and specific remedy for all diseases originating from an IMPURE STATE OF THE BLOOD, and for all (bereditary) DISEASES transmitted from PARENT TO CHILD. PARALYSIS.

Hemiplegia, Paresis Paraplegia, Paralysis Agitans, It is so universally admitted that Constitution Life Syrup is the only effective means of restoration in the various forms of Paralysis, that we need not reti-erate that it is emphatically the Great Life-Giving Power. DYSPEPSIA.

Indigestion. Liver Complaint. Weight at Stomach. Constipation. Billousness. Want of Appetite. Flatuience. Bad Breath. SCROFULA.

Struma. Glandular Swellings. Ulceration. King's Evil. Erysipelas. Salt Rheum. This taint (HEREDITARY and ACQUIRED), filling life with untold misory, is by all usual medical remical remedies incurable. RHEUMATISM.

Neuralgia. Gout. Sciatica. Tie Douloureaux. If there is any disease in which the Constitution Life Syrup is a sovereign, it is in Rhoumatism and its kindred affections. The most intense pains are almost instantly alleviated—enormous swellings are reduced. Cases, chronic or vicarious, of 20 or 30 years' standing, have been cured by us. NERVOUSNESS.

Nervous Debility. Shattered Nerves. Epilepsy. St. Vitus's Dance. Loss of Yower. Confusion of Thoughts. Confusion of Inoughts.

Thousands who have suffered for years will bless the day on which they read these lines. Particularly to weak, suffering women will this medicine prove an inestimable blessing—directing their footsteps to a Hope which fulfils more than it promises.

It is not a MINERAL WATER. It is from experience that CONSTITUTION WATER has emenated, and we now say let no man doubt, when a single bottle has been known to cure diseases which the best medical talent in the country falled to relieve. A remedy possessing the virtues of Constitution Water cannot be classed under "quack" preparations, as it is now used by the most scientific practitioners in the city. It is only second-class physicians that cry down popular remedies, while the better skilled make use of every means to accomplish a cure; and the success of the physician increases as his knowledge of different remedies enables him to produce a cure, while others fail in the attempt,—Science is satisfied with the truth.

Give Constitution Water a fair trial—we mean you who are under some SPECIALS.'S care from year to year, and we purticularly slude to ladies who are constantly resorting to LOCAL TREATMENT, and all sorts of local applications for diseases, with as much chance of success as there would be from local applications to the throat for diseases of the brain.

We have always been careful to use language in our circular that could not shock the most delicate organization, but we receive many communications from persons for whom Constitution Water is adapted, and of whose disease no mention has been made, that we have come to the conclusion that if the remedy is capable of producing a cure, no matter what the disease may be, it should be made known. The medicine is put up for the public and there should be no exceptions. Particular care and attention paid to

MERCANTILE PRINTING

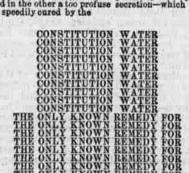

Is a disease of the stomach and liver, acting through the kidneys, and is without doubt, the mest obstinate disease, except Consumption, that affects the human constitution. We have no space for discussing causes, but will state that the effect of the discase is the conversion of the starchy principle (or vegetable portion of the food) into sugar, which stimulates the kidneys to an excessive secretion of water. Many persons suffer from this disease who are ignorant of it; that is, they pass large quantities during the day, and are obliged to get up from one to fifteen or twenty times during the night. No notice is taken of it until their attention is called to the large discharge of water, and often when it is so far advanced as to be beyond the control of ordinary remedies. Another symptom is the great thirst, which, when the disease is fully established, is intolerable—the patient drinks constantly without being satisfied; also dryness of the mouth, cracking of the lips, a sweet breath, in the more advances cases, and finally loss of appetite, emaciation, and the patient gradually sinks from exhaustion.

Constitution Water is, without doubt, the only known remedy for diabetes, and we have as much confidence that it is a specific as we have that opium will produce sleep, and truthfully say that it has cured every case in which it has been used. CIRCULARS. BILL HEADS, RECEIPTS, CHECKS,

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symtoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of the Constitution Water will relieve you ike magic.

Have long since given up the use of bucchu, ubebs, and juniper in the treatment of those diseases, and only use them for want of a better remedy. CONSTITUTION WATER

Has proved itself equal to the task that has devolved upon it. DIURETICS Irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physican.

DANVILLE, PA., June 2, 1862.—DB. WW. H. GREGG—Dear Str.—In February, 1861, I was afflicted with augar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve time during the night, and inflave mouths I lost fifty pounds in weight. During the months of July, 1861, I procured two bottles of Constitution Water, and after taking two bottles of Constitution Water, and in two days after naing it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours, truly, IV. L. DEWITT.

BOSTON CORNERS, N. Y., Des. 27, 1861.—Ww. H. GREGG & Co.—Gents: I freely give you liberty to make use of the following certificate of the value of Constitution Water, which I can recommend in the highest manner:—My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Palpitation of the Heart and Irritation of the Bladier. Icalled a physician, who attended her for about inse months; when he left her worse than he found her. I then employed one of the best physians I could find, who attended her for about inse months and while she was under his care she did not suffer quite as much pain. He finally gave her up, and said "her case was incurable. For" said he, "she has such a combination of complaints that medicine civen for one operates against some other of her afflictions. About this time she commenced the use of Constitution Water, and to our utter astonishment almost the first dose scened to have the dosired effect, and she kept on improving applied under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution water for about four weeks, and we are happy to say that it has produced a permaent cure.

WETHERSPIELD, CONN., March 2, 1863.—Dr. W. H. Grego—Dear Ser. Having seen your advertisement of "Constitution Water," recommended for Inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle of your spents at Hartford, Messra, Lee Sisson & Co., and when I had used half of it to my surprise I found a great change in my health. I have used two bottles of it, and an whore I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your Sarsarantla, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known from of Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome humor in my thee, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried simost everything a man could of both advice and medicine, but without any relief whatever, until I took year Sarsarantla. It immediately made my face worse, as you told melt might for a time; but in a few weeks the new skin began to form under the blotches, and continued antil my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without adoubt owe it to your Sarsarantla."

* From Dr. Robt. Sawin, Houston St., N. Y.
Dr. Avar: I seldom fail to remove Eruptions and Scropholous Sores by the persevering use of your Sarsaparallla, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the Sarraparallla you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollais' worth of medicines. The alcers were so had that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsaparallla. Took two bottles, and some of your Pills. Together they have caused me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Nescenstle, C. W., a leading member of the Canadaan Parliament.

"I have used your Sarsaparalla, in my tamily, for general debility, and for parijning the blood, with very beneficial results, and feel confidence in commending it to the safflicted."

St. Anthony's Fire, Rose, Salt Rheum Scald Head, Sore Eyes. Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania.

"Our only child, about three years or ago, was attacked by pimples on his forehead. They rapidly spread until they formed a losthsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing clies we had any hope from, we began giving your Satasapanithla, and applying the lodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as bestim and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Louis, Missouri
"I find your Sansaparilla a more effectual
remedy for the secondary symptoms of Syphilis,
and for ayphilitic disease than any other we possess.
The profession are indebted to you for some of the

best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Messachusetts.

"Dr. AYER — My dear Sir: I have found your SARSAFARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required." ful alterative is required."

Mr. Chas S. Van Lien, of New Brunswek, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or freatment that could be applied, until the persevering use of Aven's Sarbaranilla relieved him. Few cases can be found more invelorate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness Leucorrhesa, Whites, Fornale Weakness, are generally produced by internal Scrafulous Ulceration, and are very often cured by the alterative effect of this Sarsafarilla. Some cases require, however, in aid of the Sarsafarilla, the skiful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your Sarsafarilla an excellent alterative in diseases of femiles Many cases of irregularity, Leucorrhose, Juternal Ulceration, and local debility, arising from the rerofulous diathesis, have yielded to it, and thore are few that do not, when itseffect is properly aided by local treatment. A lady, unwilling to allow the publication of her same; writes:

"My daughter and myself have heen cured of a very debilitating Leucorrhose of long standing, by two bottles of your Sarsafarilla."

Rheumatism, Gout. Liver Complaint, Dyspepsia Heart Disease, Neuraigia, when caused by Scrafula in the system, are rapidly cured by this EXT. SARSAPARILLA. AYER'S CATHARTIC PILLS possess so many advantages over the other pur-gatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
